Subject: Non-Binding Letter of Interest for Acquisition of the MD 902 Explorer Type Certificate and Inventory

Dear Oliver, dear Spencer, dear Richard

We are pleased to express our interest in acquiring the Type Certificate of the MD 902 Explorer and the associated inventory held by MD Helicopters LLC. This letter outlines our preliminary proposal and serves as a basis for further negotiations, subject to the terms below.

1. Proposed Transaction Structure

Acquisition Scope: Purchase of the MD 902 Explorer Type Certificate with all its intellectual property, patents, as the case may be, marketing rights and all related inventory.

Due Diligence

Physical Inventory Inspection: Martin Stucki will conduct on-site due diligence of the inventory in May 2025.

Additional Reviews: A binding offer will follow successful completion of legal, accounting, and technical due diligence of the MD 902 Explorer Platform, as well as confirmation of funding for the transaction by marengo-aviation's funders.

2. Conditions for Binding Offer

- Satisfactory due diligence results across all domains (legal, financial, technical).
- Securing final approval from our investors, who have already provided positive preliminary feedback.
- Mutual agreement on definitive terms, including purchase price, payment structure, and transition plans.

3. Timeline

Q2/Q3 2025: Finalize deal structure and negotiate definitive agreements.

Q3/Q4 2025: Target closing date, contingent on meeting all agreed-upon conditions.

4. Exclusivity & Confidentiality

We request a 90-day exclusivity period to facilitate focused negotiations. Both parties will maintain confidentiality, governed by the mutually signed NDAs.

Next Steps

We propose scheduling the next meeting by 23rd April 2025 to align on due diligence logistics and discuss process details.

This letter is non-binding except for the exclusivity and confidentiality provisions outlined above.

Sincerely,

A handwritten signature in blue ink, appearing to read 'M. Stucki'.

Martin Stucki
